To evangelize it is necessary to open ourselves to the horizon of God's Spirit, without being afraid of where he leads us.

We are the living stones of God's building, profoundly united to Christ who is the keystone and also the one that sustains us.

We thank Atty. Dean and Mrs. Carina Suba & Family's generosity for hosting the **"Celebrating Volunteerism" Bonding Party** (Nov. 5, 2011) for the Volunteers of San Lorenzo Ruiz Chapel, Simbang Gabi sa Katedral, and San Pedro Calungsod - an event to be cherished by all our volunteer devotees for years to come!!!
